

Kool Ice Curling Bantam League

Teams that are already formed and just want to play will have a round robin format before Christmas then hopefully any individual players will form teams and join league after Christmas. Before Christmas these new/individual players will form teams and play among themselves to get up to speed to play teams after Christmas. We are open for ideas and suggestions on the running of this league we would like to make it fun and a great learning experience and at same time give them more playing time. We will bring in special speakers on occasion to talk to players on their experiences and to help players achieve their goals.

If there is not enough new players for coaching or individual players looking to form teams we will add more teams to fill up to 16 spots. Our goal is to get more bantam age kids playing to grow the sport.

Start date for league will be September 26th and stop on December 19th for Christmas, League will start up again on January 9th and finish for the year on March 13th

Cost is \$150.00 per player. There will be free practice time for all players once you are a member of league. Play will start at 4:30 and finish at 6:30. Bantam age players 14 and under are eligible.
