

JUNIOR CURLING INFORMATION SHEET

Welcome to the 2017-18 Junior Curling Season!!

The Airdrie Junior Curling is a developmental league for kids aged 8 to 18. All curlers receive instruction every week. After the Christmas break the curlers will be put into teams and games will be introduced.

The junior league runs every Wednesday from 5 pm till 6:45 pm. The season will start on October 11th and run until March 21st.

We will be asking for parent volunteers for each night of curling to help out with the curlers. No experience is necessary. Volunteer parents are essential as we do not have enough qualified instructors by themselves. We will have a sign-up sheet available each night of curling.

Registration fee for each curler is \$ 100.00. This does not include the cost of equipment.

Basic equipment needed:

- Clean indoor shoes. No exceptions!! We have to keep the dirt off the ice.
- Broom- some are available at the curling rink to borrow.
- Slip on slider- some at the curling rink to borrow but better if you have your own.
- Warm clothing is recommended. Dress in layers.
- Bring gloves or mittens to keep hands warm.

We will be putting out a newsletter for the curlers and parents at the beginning of the curling season.

This will include a schedule with all the dates on it.
